

Aquarius Golf Club

Advert and Summary Job description – Greenkeeper

Established in 1912, Aquarius Golf Club is a private 9 hole golf club close to the heart of London. Built on top and around Beechcroft reservoir in Honor Oak, it presents a unique challenge for golfers with stunning views across the London skyline. An increasing interest in playing Golf at Aquarius has seen a rapidly developing membership. The club committee is delighted to offer the opportunity for a qualified greenkeeper to lead the small greens team and enhance the golfing experience for members and their guests.

For more information about the club, please visit the club website

The Role:

This is an exciting opportunity to work alongside the General Manager and join a small dedicated staff team. We are seeking an experienced greenkeeper to focus on maintaining and developing the course for our members and their guests.

The Candidate:

You will be qualified to NVQ Level 2 and the post is offered on a full-time basis. Due to the nature of the position you must be available for early starts and some weekend cover.

Remuneration:

We offer a competitive and negotiable salary and benefits package commensurate with the knowledge, skills and experience of the applicant, along with opportunities for training and development.

Application process:

Applications are invited from candidates with a proven track-record in golf course maintenance. If you wish to apply, please send us your CV with a covering letter to Chairman@aquariusgolfclub.co.uk

Closing Date: Friday 10th May 2024 with interviews to take place before the end of May.

Key Responsibilities:

- Maintaining the presentation of the golf course, clubhouse and surrounding areas.
- Supporting the General Manager to enhance the members experience on the golf course and promote sustainability
- Cutting and treatment of greens, fairways and rough using ride-on mowers to a high standard.
- Maintaining specialised machinery used for course maintenance ensuring that all health and safety protocols are adhered to.

Key Requirements

- NVQ Level 2 Sports Turf Maintenance
- PA1 and PA2 spraying certification
- Good Communicator
- Friendly disposition
- Keen eye for detail
- Interest in golf or greenkeeping
